House 4  2  2 

Expansive family home.

Looking for a home with loads of space? This is definitely worth a look. Designed across three levels this stately home provides lots of options for the larger family or investor looking to house a number of people. Previously used as a 4 bedroom home with formal dining and rumpus, you could easily change the usage to a six bedroom home. For those who work from home, the formal dining would be an ideal office with external private access at the front. The refreshed kitchen offers a generous amount of bench and cupboard space and is finished with quality Bosch cooking appliances, 2 pack painted cabinetry and dishwasher. The separate lounge room has brand new carpet, high ceilings, classic crown moulding and reverse cycle air. Exit the meals area through glass sliders to the covered entertaining area overlooking the fenced rear yard and above ground pool. Both doors to the garage are remote controlled and provides internal access to the home. Depending what your needs are, this home provides so much flexibility to match your criteria. Located in a popular Woolgoolga neighbourhood and approx. 600m to Woolworths. Why not book an inspection today?
