Charming seaside Cottage

Perfectly presented beach home is located only 250m to the picturesque Red Rock Estuary. Red Rock is an exclusive seaside village; ideal place for exploring the beautiful marine surrounds. Offering an open plan layout, very neat and tidy kitchen with plenty of cupboard space. Adjacent to the kitchen is the combined dining and lounge area which is enhanced by hardwood timber floors, modern plantation shutters & equipped with reverse cycle air conditioning. The home offers two bedrooms with the main being generous in size & both have built-in wardrobes. A large rumpus/3rd bedroom is at the back of the home and has recently been fitted with modern cafe blinds. Secure back yard with drive in carport. Internal laundry. The home has been painted internally and externally with a modern colour palette in recent years. Additional features include: Solar Hotwater System, remote control garage door, bore water, new front block out screens and low maintenance gardens. The beauty of this home is you can either move in and unpack; whether you are staying for holidays or staying permanently there is nothing to do but slip on your thongs and go for a swim!

Red Rock river is a tidal estuary & a beautiful spot for swimming, canoeing, fishing & boating. The village offers a selection of local services including bowling club, Chinese restaurant, caravan park, general store & post office.
