Great Home, Great Location

Lock your car in the garage and walk to town from your new home. Renowned for its flat blocks and convenient location, properties in this neighbourhood never last long on the market. This well presented home is light and airy inside with fresh paint and modern flooring. You will be impressed with the size of all 3 bedrooms which have built in robes and ceiling fans. The air conditioned living area is open plan and flows through glass sliders onto the spacious rear entertaining area; ideal for summer barbeques or just relaxing after a hard day at work. Privacy is assured in the fully fenced rear yard which contains a shed for the gardening enthusiast. The home has a single lock up garage with internal access plus room for an additional car, trailer or boat in the back yard accessed through the double gates. With the CBD only 800m away, take advantage of the award winning cafe's, restaurants and beaches which put our town on the map.
