House 4 2 3

## Stately home on acres

Don't wait to discover this beautiful home surrounded by scenic bushland. You will be instantly impressed by the tranquil setting and privacy that comes with owning this property. Architecturally designed with attention to detail, the home will enchant you, from the gorgeous timber features, to the floor to ceiling windows. Everything has been designed to provide the best lifestyle experience.

The master suit encapsulates a beautiful view across the sloping grounds and contains a walk through robe and ensuite. The additional bedrooms have been designed to provide separate views with the guest suite on the third level for maximum privacy. The open plan living areas centre on the large outdoor area with views from every window. Downstairs is the office, garaging for 3 cars, wine cellar, mechanics pit and enormous storage areas that have to be seen to be believed.

Retreat to the rear outdoor living zone which includes a spa and cabana area. Perfect for entertaining or just relaxing whilst appreciating the myriad of wildlife that call this property home.

Extending over 2.9ha (7 acres) with approximately half cleared, the property offers a lovely balance with natural forest. There is also a 5 bay shed with enclosed workshop, chook shed and 2 dams. Located East of the highway, properties like this are a rare find.
